

# Franklin College Courses

**Franklin College Courses** - Learning, Reimagined The workforce is in a constant state of flux – and higher education needs to evolve alongside it. In 2018, Franklin College launched a reimagined curriculum designed to prepare every single student for a thriving career after graduation. Our modern learning experience is built on 5 core elements. Back to College Blog. Franklin University is accredited by the Higher Learning Commission (1.800.621.7440) and authorized by the Ohio Department of Higher Education. This institution is authorized by the Indiana Board for Proprietary Education, 101 W. Ohio St., Suite 670, Indianapolis, IN 46204-1984. Full Time Courses at Franklin College - Franklin has the broadest range of A Levels and Level 3 BTECs/CTECs in the area. Have a look through our courses section and see what you might like to study next year. You can add the courses you like onto your online application. This course is the senior capstone course for the economics, business and accounting majors. Students will work in teams to solve complex business problems in a simulated boardroom setting as they address and solve a real-life business challenge that has been presented to them by Franklin College Alumni or others who have current and relevant projects to complete.
